In this respect, Council **calls** for renewed efforts, both within Africa and from partners in combating the epidemic;
4. **Recalls** the relevant provisions of the Protocol Relating to the Establishment of the Peace and Security Council of the African Union, in particular, Article 6(f) relating to aspects of the mandate of the PSC with regard to humanitarian action and disaster management, as well as to the role of the African Standby Force in humanitarian emergency situations;
5. **Commends** the countries of the region, under the auspices of Economic Community of West African States (ECOWAS) for the steps already taken in dealing with the Ebola outbreak, and **welcomes** the readiness and commitment of AU partners to support African efforts to this effect;
6. **Decides**, given the emergency situation caused by the Ebola outbreak, to authorize the immediate deployment of an AU-led Military and Civilian Humanitarian Mission, comprising medical doctors, nurses and other medical and paramedical personnel, as well as military personnel, as required for the effectiveness and protection of the Mission;
7. **Requests** the Commission, in cooperation with the countries affected, ECOWAS and all relevant partners and stakeholders to take, without further delay, the necessary steps to develop a Concept of Operations for the AU Mission authorized in paragraph 6 above, including its logistical, financial and other relevant aspects;
8. **Encourages** all AU Member States, and the international community as a whole, to extend the

necessary support to the deployment of the AU Mission against Ebola outbreak. In this regard, Council **underlines** the need to pay particular attention to the impact of the epidemic on the post-conflict reconstruction and socio-economic development efforts in the countries affected;
