JOINT COMMUNIQUE

1. The Peace and Security Councils (PSC) of the African Union (AU) and the Regional Economic Communities/Regional Mechanisms for Conflict Prevention, Management and Resolution (RECs/RMs) convened their 1st Joint Consultative Meeting in Addis Ababa, Ethiopia, on 24 May 2019. The meeting was held in pursuance of relevant provisions of the Protocol Relating to the Establishment of the Peace and Security Council of the African Union as adopted in 2002 and within the framework of the continued implementation of the African Peace and Security Architecture (APSA), as well as the African Governance Architecture (AGA).

Acting under relevant provisions of the Protocol Relating to the Establishment of the Peace and Security Council of the AU, the participants:

6. **Express deep concern** over the fact that while the AU and the RECs/RMs continue to deploy efforts towards finding durable solutions to the existing crises and conflicts in different parts of the Continent, new threats are emerging, with some of them mutually reinforcing each other, such as terrorism, trans-national organized crime and drug trafficking;
7. **Express appreciation** that the PSC, over the recent years, has taken concrete steps to address the gaps and challenges impeding full-scale application of the APSA and AGA. Among these steps are

the various retreats organized by the PSC with a view to improving ways of enhancing the harmony in decision-making, strengthening coordination, reinforcing synergy and promoting unity of action between PSC and the RECs/RMs Policy Organs;

8. **Commend** the RECs/RMs on the role they continue to play in pursuit of their respective mandates within their regions. Further **commend** those RECs/RMs which have established policy organs and supporting structures to deal with peace and security issues and encourages other RECs/RMs which have not yet to do so, to do the same;

9. **Underscore** that the RECs/RMs are the first responders to the crisis/conflict situations which arise in their geographic areas of mandate and **stress** that the African Standby Force should be deployed/employed within a partnership between the PSC and the RECs/RMs policy organs;
