

RESOLUTION ON PROGRAMME AND PILOT PROJECT ON THE  
ESTABLISHMENT OF SCHOOL SERVICES IN MEMBER STATES

The Educational, Scientific, Cultural and Health Commission of the OAU meeting in its Third Ordinary Session in Reduit. Mauritius, from December 10 to 14, 1973,

HAVING discussed the Programme and the Project on the establishment of School Health Services in some Member States,

AWARE that information should be obtained specially from Member States that do not have such services,

CONCERNED about the health and welfare of the school-age children as well as school children:

1. ADOPTS the programme and pilot project in Document ESCHC/95 -95A (III);
2. URGES Member States to provide the necessary information to OAU before its implementation of pilot project;
3. REQUESTS Member States to have an officer at the Central Government Level to co-operate with OAU in the establishment of this Services.
