## RULING OF THE COURT

1. We have carefully listened to Mr. Deya on this *ex parte* Application for Interim Orders.
2. Learned Counsel conceded that the main premise for this *ex parte* Application was that the subject of the Reference was being held *in communicado*, but this has since changed.
3. Indeed, Counsel categorically stated that subject to the availability of dates, he was willing and ready to have the Application heard *inter partes*.
4. We therefore dismiss this Application and hereby order that it be scheduled for hearing *inter partes*.
5. It is so ordered.

Dated, signed and delivered at Arusha this 6<sup>th</sup> day of March, 2019.
