16. **REAFFIRMS** the immense and continued contributions of NEPAD to forging mutually-beneficial partnerships under the auspices of the African Union by advocating Africa's common positions and interests in global development processes especially the G8, G20 and BRICS. **IN THIS REGARD EXAMINES** the impact of current Africa's

partnership engagements particularly the Africa Partnership Forum (APF) established by the 2003 Evian G8 Summit in France to catalyze support for Africa's development through NEPAD with G8-OECD partners.

20. Concurrent with this, **ASSERTS** that Africa should pursue the continuation of the G8-Africa Partnership Outreach in its original conception along with the proposed creation of a G20-Africa Outreach through the Development Working Group (DWG) that will be based on the continent's priorities and the changing global paradigm.
21. **INSTRUCTS NPCA** to develop the technical capacity to monitor the implementation of partnership commitments given the challenge of dependence on development partners to track the effective delivery of commitments to Africa.
