PROTOCOL ON TRADE

Preamble:

The High Contracting Parties:

- Noting that the Treaty establishing the Southern African Development Community has, in Article 22, expressly called for the conclusion of Protocols as may be necessary in each area of cooperation within the Community;
- Considering that trade in goods and services and the enhancement of cross-border investment are major areas of cooperation among the Member States of the Community;
- Recognising that the development of trade and investment is essential to the economic integration of the Community;
- Recognising that an integrated regional market will create new opportunities for a dynamic business sector;
- Convinced of the need to strengthen customs cooperation and combat illicit trade within the Community;
- Convinced that a framework of trade cooperation among Member States based on equity, fair competition and mutual benefit will contribute to the creation of a viable Development Community in Southern Africa;
- Mindful of the different levels of economic development of the Member States of the Community and the need to share equitably the benefits of regional economic integration;
- Committed to linking the liberalisation of trade to a process of viable industrial development, as well as cooperation in finance, investment and other sectors;
- Noting the provisions of the Abuja Treaty calling for the establishment of regional and sub-regional economic groupings as building blocs for the creation of the African Economic Community;
- Mindful of the results of the Uruguay Round of Multilateral Trade Negotiations on global trade liberalisation;
- Recognising the obligations of Member States in terms of existing regional trade arrangements and bilateral trade agreements;

Hereby Agree as follows:

PART ONE

DEFINITIONS AND OBJECTIVES

Article 1

DEFINITIONS

"Annex" means a legal instrument of implementation of this Protocol, which forms an integral part thereto, and has the same legal force.

"Community" means the Organisation as defined in Article 1 of the SADC Treaty.

"Conformity Assessment" means any procedure used, directly or indirectly, to determine that a technical regulation or standard is fulfilled, including sampling, testing, inspection, evaluation, verification, monitoring, auditing, accreditation, registration or approval used for such a purpose, but does not mean an approval procedure.

"Council" means Council of Ministers as defined in Article 1 of the SADC Treaty.

"CMT" means the Committee of Ministers responsible for trade matters.

"Dumping" means, in accordance with the provisions of Article VI of GATT (1994), the introduction of a product into the commerce of another country at less than its normal value, if the price of the product exported from one country to another is less than the comparable price in the ordinary course of trade, for the like product when destined for consumption in the exporting country.

"Export Duties" means any duties or charges of equivalent effect imposed on, or in connection with, the exportation of goods from any Member State to a consignee in another Member State.

"High Contracting Parties" means States as defined in Article 1 of the Treaty.

"Import Duties" means customs duties or charges of equivalent effect imposed on, or in connection with, the importation of goods consigned from any Member State to a consignee in another Member State.

"Member State" means a Member State as defined in Article 1 of the Treaty.

"Non-Tariff Barrier" (NTB) means any barrier to trade other than import and export duties.

"Originating goods" means goods of a Member State as provided for in Annex I on Rules of Origin.

"Quantitative restrictions" means prohibitions or restrictions on imports into, or exports from a Member State whether made effective through quotas, import licences, foreign exchange allocation practices or other measures and requirements restricting imports or exports.

"Region" means Region as defined in Article 1 of the Treaty.

"Safeguard measures" means measures imposed in accordance with Article 20 of this Protocol.

"Services" means intangible activities and those enumerated in Annex 1B to the World Trade Organisation's General Agreement on Trade in Services (GATS).

"Sub-Committee" means a committee of experts established under each respective Annex of this Protocol.

"Subsidies" shall have the same meaning and interpretation as in the WTO Agreement on Subsidies and countervailing measures.

"Third country" means a country other than a Member State.

"FTA" means Free Trade Area.

"TNF" means the Trade Negotiating Forum.

"Treaty" means the Treaty establishing the Southern African Development Community.

"WTO" means World Trade Organisation.

Article 2

OBJECTIVES

The objectives of this Protocol are:

1. To further liberalise intra-regional trade in goods and services on the basis of fair, mutually equitable and beneficial trade arrangements, complemented by Protocols in other areas.
2. To ensure efficient production within SADC reflecting the current and dynamic comparative advantages of its members.
3. To contribute towards the improvement of the climate for domestic, cross-border and foreign investment.
4. To enhance the economic development, diversification and industrialisation of the Region.

5. To establish a Free Trade Area in the SADC Region.

PART TWO

TRADE IN GOODS

Article 3

ELIMINATION OF BARRIERS TO INTRA-SADC TRADE

1. The process and modalities for the phased elimination of tariffs and non-tariff barriers shall be determined by the Committee of Ministers responsible for trade matters (CMT) having due regard to the following:-
 - (a) The existing preferential trade arrangements between and among the Member States.
 - (b) That the elimination of barriers to trade shall be achieved within a time frame of eight (8) years from entry into force of this Protocol.
 - (c) That Member States which consider they may be or have been adversely affected, by removal of tariffs and non-tariff barriers (NTBs) to trade may, upon application to CMT, be granted a grace period to afford them additional time for the elimination of tariffs and (NTBs). CMT shall elaborate appropriate criteria for the consideration of such applications.
 - (d) That different tariff lines may be applied within the agreed timeframe for different products, in the process of eliminating tariffs and NTBs.
 - (e) The process and the method of eliminating barriers to intra-SADC trade, and the criteria of listing products for special consideration, shall be negotiated in the context of the Trade Negotiating Forum (TNF).
2. The agreed process and modalities for eliminating barriers to intra-SADC trade shall upon adoption, be deemed to form an integral part of this Protocol.

Article 4

ELIMINATION OF IMPORT DUTIES

1. There shall be a phased reduction and eventual elimination of import duties, in accordance with Article 3 of this Protocol, on goods originating in Member States.
2. The process should be accompanied by an industrialisation strategy to improve the competitiveness of Member States.

3. The CMT shall adopt such measures as may be necessary to facilitate adjustment arising from the application of this Article. The CMT shall review such measures from time to time.
4. Pursuant to paragraph 1, Member States shall not raise import duties beyond those in existence at the time of entry into force of this Protocol.
5. Nothing in Paragraph 4 of this Article shall be construed as preventing the imposition of across-the-board internal charges.
6. This Article shall not apply to fees and similar charges commensurate with costs of any services rendered.

Article 5

ELIMINATION OF EXPORT DUTIES

1. Member States shall not apply any export duties on goods for export to other Member States.
2. This Article shall not prevent any Member State from applying export duties necessary to prevent erosion of any prohibitions or restrictions which apply to exports outside the Community, provided that no less favourable treatment is granted to Member States than to third countries.

Article 6

NON-TARIFF BARRIERS

Except as provided for in this Protocol, Member States shall, in relation to intra-SADC trade:

- (a) adopt policies and implement measures to eliminate all existing forms of NTBs.
- (b) refrain from imposing any new NTBs.

Article 7

QUANTITATIVE IMPORT RESTRICTIONS

1. Member States shall not apply any new quantitative restrictions and shall in accordance with Article 3, phase out the existing restrictions on the import of goods originating in Member States, except where otherwise provided for in this Protocol.
2. Notwithstanding the provisions of paragraph 1 of this Article, Member States may apply a quota system provided that the tariff rate under such a quota system is more favourable than the rate applied under this Protocol.

Article 8

QUANTITATIVE EXPORT RESTRICTIONS

1. Member States shall not apply any quantitative restrictions on exports to any other Member State, except where otherwise provided for in this Protocol
2. Member States may take such measures as are necessary to prevent erosion of any prohibitions or restrictions which apply to exports outside the Community, provided that no less favourable treatment is granted to Member States than to third countries.

Article 9

GENERAL EXCEPTIONS

Subject to the requirement that such measures are not applied in a manner which would constitute a means of arbitrary or unjustifiable discrimination between Member States, or a disguised restriction on intra-SADC trade, nothing in Articles 7 and 8 of this Protocol shall be construed as to prevent the adoption or enforcement of any measures by a Member State:

- (a) necessary to protect public morals or to maintain public order;
- (b) necessary to protect human, animal or plant life or health;
- (c) necessary to secure compliance with laws and regulations which are consistent with the provisions of the WTO;
- (d) necessary to protect intellectual property rights, or to prevent deceptive trade practices;
- (e) relating to transfer of gold, silver, precious and semi-precious stones, including precious and strategic metals;
- (f) imposed for the protection of national treasures of artistic, historic or archaeological value;
- (g) necessary to prevent or relieve critical shortages of foodstuffs in any exporting Member State;
- (h) relating to the conservation of exhaustible natural resources and the environment; or
- (i) necessary to ensure compliance with existing obligations under international agreements.

Article 10

SECURITY EXCEPTION

1. Nothing in this Protocol shall prevent any Member State from taking measures which it considers necessary for the protection of its security interests or for the purpose of maintaining peace.
2. The concerned Member State shall notify the CMT of any such measures.

Article 11

NATIONAL TREATMENT

Member States shall accord, immediately and unconditionally, to goods traded within the Community the same treatment as to goods produced nationally in respect of all laws, regulations and requirements affecting their internal sale, offering for sale, purchase, transportation, distribution or use.

PART THREE

CUSTOMS PROCEDURES

Article 12

RULES OF ORIGIN

Originating goods shall be eligible for Community treatment, in accordance with the provisions of Annex 1 of this Protocol.

Article 13

COOPERATION IN CUSTOMS MATTERS

Member States shall, as provided for in Annex II of this Protocol, take appropriate measures, including arrangements regarding customs administration cooperation, to ensure that the provisions of this Protocol are effectively and harmoniously applied.

Article 14

TRADE FACILITATION

Member States shall, as provided for in Annex III of this Protocol, take such measures as are necessary to facilitate the simplification and harmonisation of trade documentation and procedures.

Article 15

TRANSIT TRADE

Products imported into, or exported from, a Member State shall, as provided for in Annex IV of this Protocol, enjoy freedom of transit within the Community and shall only be subject to the payment of the normal rates for services rendered.

PART FOUR

TRADE LAWS

Article 16

SANITARY AND PHYTOSANITARY MEASURES

1. Member States shall base their sanitary and phytosanitary measures on international standards, guidelines and recommendations, so as to harmonise sanitary and phytosanitary measures for agricultural and livestock production.
2. Member States shall, upon request, enter into consultation with the aim of achieving agreements on recognition of the equivalence of specific sanitary and phytosanitary measures, in accordance with the WTO Agreement on the Application of Sanitary and Phytosanitary Measures.

Article 17

STANDARDS AND TECHNICAL REGULATIONS ON TRADE

1. Each Member State shall use relevant international standards as a basis for its standards-related measures, except where such standards would be an ineffective or inappropriate means to fulfil its legitimate objectives.
2. A member State's standards-related measures that conform to an international standard shall be presumed not to create an unnecessary obstacle to trade.
3. Without reducing the level of safety, or of protection of human, animal or plant life or health, of the environment or of consumers, without prejudice to the rights of any Member State and taking into account international standardisation activities, Member States shall, to the greatest extent practicable, make compatible their respective standards-related measures, so as to facilitate trade in goods and services within the Community.

4. Member States accept as equivalent technical regulations of other Member States, even if these regulations differ from their own, provided that they adequately fulfil the objectives of their regulations.
5. A Member State shall, upon request of another Member State, seek through appropriate measures, to promote the compatibility of specific standards or conformity assessment procedures that are maintained in its territory, with the standards or conformity assessment procedures maintained in the territory of other Member States.

Article 18

ANTI-DUMPING MEASURES

Nothing in this Protocol shall prevent any Member State from applying anti-dumping measures which are in conformity with WTO provisions.

Article 19

SUBSIDIES AND COUNTERVAILING MEASURES

1. Member States shall not grant subsidies which distort or threaten to distort competition in the Region.
2. Notwithstanding paragraph 1 of this Article, a Member State may continue to apply a subsidy in accordance with Article 3.
3. A Member State may, for the purposes of offsetting the effects of subsidies and subject to WTO provisions, levy countervailing duties on a product of another Member State.
4. Notwithstanding the provisions of paragraph 1 of this Article, a Member State may introduce a new subsidy only in accordance with WTO provisions.

Article 20

SAFEGUARD MEASURES

1. A Member State may apply a safeguard measure to a product only if that Member State has determined that such product is being imported to its territory in such increased quantities, absolute or relative to domestic production, and under such conditions as to cause or threaten to cause serious injury to the domestic industry that produces like or directly competitive products.
2. A serious injury shall be determined in accordance with Article 4 of the WTO Agreement on Safeguards.

3. Safeguard measures shall be applied to a product being imported irrespective of its source within the Region.
4. In applying measures in accordance with paragraph 1 of this Article, a Member State shall give like treatment to all imports of originating goods.
5. A member State shall apply safeguard measures only to the extent and for such period of time necessary to prevent or remedy serious injury and to facilitate adjustment. In accordance with Article 7 of the WTO Agreement on Safeguards, the period shall not exceed four years, unless the competent authorities of the importing Member State have determined that the safeguard measure continues to be necessary to prevent or remedy serious injury and that there is evidence that the industry is adjusting.
6. Notwithstanding the provisions of paragraph 5 of this Article, the total period of application of a safeguard measure shall not exceed eight (8) years.

Article 21

PROTECTION OF INFANT INDUSTRIES

1. Notwithstanding the provisions of Article 4 of this Protocol, upon the application by a Member State, the CMT may, as a temporary measure in order to promote an infant industry, and subject to WTO provisions, authorise a Member State to suspend certain obligations of this Protocol in respect of like goods imported from the other Member States.
2. The CMT may, in taking decisions under paragraph 1 of this Article, impose terms and conditions to which such authorisation shall be subject, for the purposes of preventing or minimising excessive disadvantages as those which may result in trade imbalances.
3. The CMT shall regularly review the protection of infant industries by a Member State applied in accordance with paragraph 1 of this Article.

PART FIVE

TRADE RELATED INVESTMENT MATTERS

Article 22

CROSS-BORDER INVESTMENT

Member States shall adopt policies and implement measures within the Community to promote an open cross-border investment regime, thereby enhancing economic development, diversification and industrialisation.

PART SIX

OTHER TRADE RELATED ISSUES

Article 23

TRADE IN SERVICES

1. Member States recognise the importance of trade in services for the development of the economies of SADC countries.
2. Member States shall adopt policies and implement measures in accordance with their obligations in terms of the WTO's General Agreement on Trade in Services (GATS), with a view to liberalising their services sector within the Community.

Article 24

INTELLECTUAL PROPERTY RIGHTS

Member States shall adopt policies and implement measures within the Community for the protection of Intellectual Property Rights, in accordance with WTO Agreement on Trade-Related Aspects of Intellectual Property Rights.

Article 25

COMPETITION POLICY

Member States shall implement measures within the Community that prohibit unfair business practices and promote competition.

PART SEVEN

OTHER SUBSTANTIVE PROVISIONS

Article 26

PART SEVEN

OTHER SUBSTANTIVE PROVISIONS

Article 26

TRADE DEVELOPMENT

Member States shall adopt comprehensive trade development measures aimed at promoting trade within the Community, as provided for in Annex V of this Protocol.

PART EIGHT

TRADE RELATIONS AMONG MEMBER STATES AND WITH THIRD COUNTRIES

Article 27

PREFERENTIAL TRADE ARRANGEMENTS

1. Member States may maintain preferential trade and other trade related arrangements existing at the time of entry into force of this Protocol;
2. Member States may enter into new preferential trade arrangements between themselves, provided that such arrangements are not inconsistent with the provisions of this Protocol.
3. Notwithstanding the provisions of paragraphs 1 and 2 of this Article, Member States party to any existing preferential trade arrangements and other trade related arrangements undertake to review the further application of such preferential trade arrangements, with a view to attaining the objectives of this Protocol.

Article 28

MOST FAVOURED NATION TREATMENT

1. Member States shall accord Most Favoured Nation Treatment to one another.
2. Nothing in this Protocol shall prevent a Member State from granting or maintaining preferential trade arrangements with third countries, provided such trade arrangements do not impede or frustrate the objectives of this Protocol and that any advantage, concession, privilege or power granted to a third country under such arrangements is extended to other Member States.
3. Notwithstanding the provisions of paragraph 2 of this Article, a Member State shall not be obliged to extend preferences of another trading bloc of which that Member State was a member at the time of entry into force of this Protocol.

Article 29

CO-ORDINATION OF TRADE POLICIES

Member States shall, to their best endeavour, co-ordinate their trade policies and negotiating positions in respect of relations with third countries or groups of third countries and international organisations as provided for in Article 24 of the Treaty, to facilitate and accelerate the achievement of the objectives of this Protocol.

Article 30

COOPERATION WITH THIRD COUNTRIES OR GROUPS OF THIRD COUNTRIES

Member States shall develop cooperation and conclude agreements with third countries or groups of third countries and international organisations as provided for in Article 24 of the Treaty, to facilitate and accelerate the achievement of the objectives of this Protocol.

PART NINE

 - b) supervise the work of the Sector Co-ordinating Unit;
 - c) clear the documents prepared by the Sector Co-ordinating Unit to be submitted to the CMT;
 - d) liaise closely with both the CMT and the Sector Co-ordinating Unit;
 - e) monitor the implementation of this Protocol;
 - f) supervise the work of the TNF.

4. The Trade Negotiation Forum shall be responsible for the conduct of trade negotiations and shall report to the Committee of Senior Officials. Its functions shall include:
 - (a) regular reviews in which offers shall be made and where the removal of non-tariff barriers shall be requested or offered;
 - (b) the creation of a research capacity of experts to monitor the impact of measures already implemented, and offer advice on the potential impact of offers under discussion;
 - (c) the establishment of a linkage between trade liberalisation and industrial policy coordination, as well as other areas of sectoral cooperation; and
 - (d) the establishment of a regional framework on the phased reduction and eventual elimination of tariff and NTBs to trade among Member States.
5. The Sector Coordinating Unit shall perform the following functions:
 - a) coordinate the day-to-day operations in the implementation of this Protocol;
 - b) provide technical and administrative assistance to the CMT, the Committee of Senior Officials and the TNF.
 - c) provide assistance to subsidiary committees, sub-committees and panels established to implement this Protocol;
 - d) work closely with the private sector;
 - e) identify research needs and priorities in the trade area.

Article 32

SETTLEMENT OF DISPUTES

1. Member States shall endeavour to agree on the interpretation and application of this Protocol, and shall make every effort, through cooperation and consultation, to arrive at a mutually satisfactory agreement.
2. The settlement of any dispute among Member States shall, whenever possible, imply removal of a measure not conforming with the provisions of this Protocol or causing mollification or impairment of such provision.

3. failing a settlement as provided in paragraph 2 of this Article, withdrawal of equivalent concession may be implemented by the Member State suffering the injury.
4. In case of disagreement, the Member States may take recourse to a panel of trade experts.
5. The appointment, composition, powers and functions of the panels of trade experts shall be determined by the CMT.
6. As a last resort, disputes regarding the interpretation and application of this Protocol shall be settled in accordance with Article 32 of the Treaty.

Article 33

GENERAL UNDERTAKING

1. Member States shall take all appropriate measures to ensure the carrying out of the obligations arising from this Protocol.
2. Member States shall cooperate in addressing any impediments to intra-SADC trade that may arise as a result of any action or lack of action by any Member State on issues having material bearing on such trade and which are not covered elsewhere in this Protocol.
3. In the event that Member States disagree on the existence of impediments to intra-SADC trade, the Member States may have recourse to the provisions of Article 32 of this Protocol.

Article 34

AMENDMENT

Amendments to this Protocol shall be in accordance with the procedures established by Article 36 of the Treaty.

Article 35

SIGNATURE

This Protocol shall be signed by the High Contracting Parties.

Article 36

RATIFICATION

This Protocol shall be ratified by the Member States in accordance with their constitutional procedures.

Article 37

ENTRY INTO FORCE

This Protocol shall enter into force 30 days after the deposit of the instruments of ratification by two thirds of the Member States.

Article 38

ACCESSION

This Protocol shall remain open for accession by any Member State.

Article 39

DEPOSITORY

1. This Protocol and all instruments of Ratification or Accession shall be deposited with the Executive Secretary, who shall transmit certified true copies thereof, to all Member States.
2. The Executive Secretary of SADC shall notify the Member States of the dates of deposit of Instruments of Ratification and Accession.
3. The Executive Secretary shall register this Protocol with the United Nations, the Organisation of African Unity and such other organisations as the Council may determine.

IN WITNESS WHEREOF, WE, the Heads of State or Government or duly Authorised Representatives of SADC member States have signed this Protocol.

ANNEX I

CONCERNING THE RULES OF ORIGIN FOR PRODUCTS TO BE TRADED BETWEEN THE MEMBER STATES OF THE SOUTHERN AFRICAN DEVELOPMENT COMMUNITY

PREAMBLE

THE HIGH CONTRACTING PARTIES

AWARE that they have undertaken to progressively establish a Development Community within which customs duties and other charges of equivalent effect imposed on imports shall be gradually reduced and eventually eliminated and non-tariff barriers to trade among Member States shall be removed, and all trade documents and procedures shall be harmonised;

AND TAKING INTO ACCOUNT the provisions of this Protocol which require that the Rules of Origin for products that shall be eligible for community treatment shall be set out in an Annex to this Protocol:

NOW THEREFORE

HEREBY AGREE as follows:

RULE I

Definitions and Interpretation

1. Definitions:

"Ex-factory cost" means the value of the total inputs required to produce a given product;

"Materials" means raw materials, semi-finished products, products, ingredients, parts and components used in the production of goods;

"Producer and a process of Production" include the application of any operation or process; with the exception of any operation or process as set out in Rule 3 of this Annex;

"Producer" includes a mining, manufacturing or agricultural enterprise or any other individual grower or craftsman who produces or supplies goods for export;

"Value-added" means the difference between the ex-factory cost of the finished product and the c.i.f. value of the materials imported from outside the Member States and used in the production.

2. Interpretation

- a. In determining the place of production of marine, river, or lake products and goods in relation to a Member State, a vessel of a Member State shall be regarded as part of the territory of that Member State. In determining the place from which goods originated, marine, river or lake products taken from the sea, river or lake or goods produced therefrom at sea or on a river or lake shall be regarded as having their origin in the territory of a Member State and have been brought directly to the territory of the Member State.
- b. For the purpose of this Annex, a vessel shall be regarded as a vessel of a Member State if it is registered in a Member State and satisfies one of the following conditions;
 - i) the vessel sails under the flag of a member State.
 - ii) at least 75 per cent of the officers and crew of the vessel are nationals of a Member State;
 - iii) at least the majority control and equity holding in respect of the vessel are held by nationals of a Member State or institution, agency, enterprise or corporation of the government of such Member State.
- c. Electrical power, fuel, plant machinery and tools used in the production of goods shall always be regarded as wholly produced within the Community when determining the origin of the goods.

RULE 2

Origin Criteria

1. Goods shall be accepted as originating in a Member State if they are consigned directly from a Member State to a consignee in another Member State and:
 - a) they have been wholly produced as provided for in Rule 4 of this Annex; or
 - b) they have been produced in the Member States wholly or partially from materials imported from outside the Member States or of undetermined origin by a process of production which effects a substantial transformation of those materials such that:
 - i) The c.i.f. value of those materials does not exceed 60 per cent of the total cost of the materials used in the production of the goods; or

- b) Changes of packing and breaking up or assembly of consignments
- c) Operations to ensure the preservation of merchandise in good conditions during transportation and storage such as ventilation, spreading out, drying, freezing, making into a solution, removal of damaged parts and similar operations. This also includes loading, reloading or any other operations necessary to maintain the merchandise in good condition.

2. **Mere Dilution, Blending and other Types of Mixing**

- (a) Simple mixing of ingredients imported from outside the Member States.
- (b) Mere dilution with water or another substance that does not materially alter the characteristics of the material.
- (c) The addition of substances such as anticaking agents, preservatives wetting agents, etc.
- (d) Diluting chemicals with inert ingredients to bring them to the standard degree of strength.
- (e) For purposes of this section, mere dilution shall not be taken to include:
 - 1) either mixing together of two bulk medicinal substances followed by the packaging of the mixed products into individual doses for retail service.
 - 2) or the addition of water or another substance to a chemical compound under pressure which results in a reaction creating a new chemical compound.

3. **Simple Assembly or Combining Operations**

4. **Other Minor Operations**

- (a) Ornamental or finishing operations incidental to textile goods production designed to enhance the marketing appeal or ease the product's case, such as simple hand dyeing and printing, embroidery and applique, pleating, hemstitching, stone or acid washing, permanent pressing, or the attachment of accessories, notions findings and trimmings.
- (b) Dismantling or disassembly.
- (c) Repairs and alterations, washing, laundering or sterilization.

- (d) Application of preservatives or decorative coatings, including lubricants, protective encapsulation, preservative or decorative paint or metallic coatings.
- (e) Testing, sorting or grading.
- (f) Marking, labelling or affixing other like distinguishing signs on products or their packages.
- (g) Simple operations consisting of removal of dust, sifting or screening, sorting, classifying and matching, including the making up of sets goods, greasing, washing, painting and cutting up.

5. **Miscellaneous**

- (a) Any process or work in respect of which it may be demonstrated, on the basis of the preponderance of evidence, that the sole objective was to circumvent these rules.
- (b) For purposes of this provision, any other single operation described above does not automatically prevent conferring origin if it is coupled with any other operation described above such as testing or fabricating. In deciding whether to confer origin, the administering authority must decide whether the operations considered results in a substantial transformation of the product, meaning that the operations resulted in a new and different article with a new name, character and use.

RULE 4

Goods Wholly Produced in the Member States

For the purpose of subparagraph (a) of paragraph 1 of Rule 2 of this Annex, the following are among the products which shall be regarded as wholly produced in the Member States:

- a) Mineral products extracted from the ground or sea-bed of the Member States;
- b) Vegetable products harvested within the Member States;
- c) Live animals born and raised within the Member States;
- d) Products obtained from live animals within the Member States;
- e) Products obtained from the sea and from rivers and lakes within the Member States by a vessel of Member State;

- a) any material which meet the condition specified in subparagraph (a) of paragraph 1 of Rule 2 of this Annex shall be regarded as containing - no elements imported from outside the Member States;
- b) the value of any materials which can be identified as having been imported from outside the Member States shall be their c.i.f. value accepted by the customs authorities on clearance for home consumption, or on temporary admission at the time of last importation, into the Member States where they were used in a process of production, less the amount of any transport costs incurred in transit through other Member States;
- c) if the value of any materials imported from outside the Member States cannot be determined in accordance with paragraph (b) of this Rule, their value shall be the earliest ascertainable price paid for them in the Member State where they were used in a process of production; and
- d) if the origin of any materials cannot be determined, such materials shall be deemed to have been imported from outside the Member States and their value shall be the earliest ascertainable price paid for such material in the Member State where they were used in a process of production.

RULE 6

Unit of Qualification

1. Each item in a consignment shall be considered separately.
2. Notwithstanding the provisions of paragraph 1 of this Rule:
 - (a) where the World Customs Organisation's Nomenclature specifies that a group, set or assembly of articles is to be classified within a single heading, such a group, set or assembly shall be treated as one article;
 - (b) tools, parts and accessories which are imported with an article, and the price of which is included in that on the article or for which no separate charge is made, shall be considered as forming a whole with the article provided that they constitute the standard equipment customarily included on the sale of articles of that kind;
 - (c) notwithstanding the provisions of sub-paragraphs (a) and (b) of this paragraph, goods shall be treated as a single article if they are so treated for purposes of assessing customs duties on like articles by the importing Member State.
3. An un-assembled or dis-assembled article which is imported in more than one consignment because it is not feasible for transport or production reasons to import it in a single consignment shall be treated as one article.

RULE 7

Separation of Materials

1. For those products or industries where it would be impracticable for the producers to separate physically materials of similar character but different origin used in the production of goods, such separation may be replaced by an appropriate accounting system which ensures that no more goods are deemed to originate in the Member States than would have been the case if the producer had been able physically to separate the materials.
2. Any such accounting system shall conform to such conditions as may be agreed upon by the CMT in order to ensure that adequate control measures shall be applied.

RULE 8

Treatment of Mixtures

1. In the case of mixtures, not being groups, sets or assemblies of goods dealt with under Rule 6 of this Annex, Member States any product resulting from the missing together of goods which would qualify as originating in the Member States with goods which would not qualify, if the characteristics of the product as a whole are not different from the characteristics of the goods which have been mixed.
2. RULE 9

Treatment of Packing

1. Where for purposes of assessing customs duties a Member State treats goods separately the origin of such packing, it may also, in respect of its imports consigned from another Member State, determine separately the origin of such packing.
2. Where paragraph 1 of this Rule is not applicable, packing shall be considered as forming a whole with the goods and no part of any parking required for their transport or storage shall be considered as having been imported from outside the Member States when determining the origin of the goods as a whole.
3. For the purpose of paragraph 2 of this Rule, packing with goods which are ordinarily sold at retail shall not be regarded as packing required for the transport or storage of goods.
4. Containers which are purely for the transport and temporary storage of goods and are to be returned shall not be subject to customs duties and other charges or equivalent effects. Where containers are not to be returned, they shall be treated separately from the goods contained in them and be subjected to import duties and other charges of equivalent effect.

RULE 10

Documentary Evidence

1. The claim that goods shall be accepted as originating from a Member State in accordance with the provisions of this Annex shall be supported by a certificate given by the exporter or his authorized representative in the form prescribed in Appendix I of this Annex. The certificate shall be authenticated with a seal by an authority designated for the purpose by each Member State.
2. Every producer, where such producer is not the exporter, shall, in respect of goods intended for export, furnish the exporter with a written declaration in conformity with Appendix II of this Annex to the effect that the goods qualify as originating in the Member State under the provisions of Rule 2 of this Annex.
3. The competent authority designated by an importing Member State may in exceptional circumstances and notwithstanding the presentation of a certificate issued in accordance with the provisions of this Rule, require, in case of doubt, further verification of the statement contained in the certificate. member States, through their competent authorities, shall assist each other in this process. Such further verification should be made within three months of the request being made by a competent authority designated by the importing Member State. The form to be used for this purpose shall be that contained in Appendix III or this Annex.
4. The importing Member State shall not prevent the importer from taking delivery of goods solely on the grounds that it requires further evidence, but may require security for any duty or other charge which may be payable:

provided that where goods are subject to any prohibitions, the stimulations for delivery under security shall not apply.
5. Copies of certificates of origin and other relevant documentary evidence shall be preserved by the appropriate authorities of the Member State for at least five years.
6. All Member States shall deposit with the Secretariat the names of Departments and Agencies authorized to issue the certificates required under this Annex, specimen signatures of officials authorized to sign the certificates and the impression of the official stamps to be used for that purpose, and those shall be circulated to the Member States by the Secretariat.

RULE 11

Infringement and Penalties

1. The Member States undertake to introduce legislation where such legislation does not exist, making such provision as may be necessary for penalties against persons who, in their territories, furnish or cause to be furnished documents which are untrue in material particular in support of a claim in another Member State.
2. Any Member State to which an untrue claim is made in respect of the origin of goods shall immediately bring the issue to the attention of the exporting Member State from which the untrue claim is made so that appropriate action may be taken and a report made thereon within a reasonable time to the affected Member State.
3. A Member State which has, in pursuance of the provisions of paragraph 2 of this Rule, brought to the attention of an exporting Member State of an untrue claim, if it is of the opinion that no satisfactory action has been taken by the exporting Member State, refer the matter to the CMT which shall take such action as appropriate in accordance with the provisions of Article 32 of this Protocol.
4. Continued infringement by a Member State of the provisions of this Annex may be referred to the CMT which shall take such action as appropriate in accordance with the provisions of Article 32 of this Protocol.

RULE 12

Derogations

1. Notwithstanding the provisions of Rule 2 and 3 of this Annex, derogations may be granted by the CMT where the development of existing industries or the creation of new industries is justified.
2. The SADC Member State shall make the request for a derogation for existing or new industries to CMT.
3. In order to facilitate the examination of the request for derogation, the Member State making the request shall, furnish the CMT the fullest possible information as to the reason for the request.
4. The CMT shall respond to each SADC Member State's request which is duly justified and in conformity with this Rule provided no serious injury is caused to any established industry within SADC.

5. The CMT shall take steps necessary to ensure that a decision is reached as quickly as possible, and in any case not later than 90 working days after the request is received.
6. The derogation shall be valid for a specific period to be determined by the CMT.

RULE 13

Regulations

The CMT shall adopt regulations to facilitate the implementation of this Annex.

Annex II

ANNEX CONCERNING CUSTOMS COOPERATION WITHIN THE SOUTHERN AFRICAN DEVELOPMENT COMMUNITY

PREAMBLE

THE HIGH CONTRACTING PARTIES

NOTING that divergences between national Customs laws and procedures can hamper intra-SADC trade and other intra-SADC exchanges;

MINDFUL of the need to promote trade and foster cooperation among Member States;

CONSIDERING that simplification and harmonization of customs laws and procedures can effectively contribute to the development of intra-SADC trade and other intra-SADC exchanges;

CONVINCED that implementation of the provisions of the present Annex would lead progressively to a high degree of simplification and harmonization of Customs procedures which is the objective of Article 13 of the Trade Protocol;

HEREBY AGREE AS FOLLOWS:

ARTICLE 1 : Definitions

"Customs Authorities" means the administrative authority responsible for administering Customs Laws.

"Customs Legislation" means legal instruments adopted by the Member States and governing the import, export, transit of goods and their placing under any customs procedure, including measures of prohibition, restrictions and control.

"Customs offence" means any breach or attempted breach of customs law;

"Customs territory" means the territory in which the Customs laws of a Member State applies in full;

"Goods declaration" means a statement made in the form prescribed by the Customs Authorities by which the persons interested indicates the procedure to be applied to the goods and furnish the particulars which the Customs Authorities require to be declared for the application of that procedure;

"Harmonized system" means the Harmonized Commodity Description and Coding System established by the International Convention on the Harmonized Commodity Description and Coding System of the World Customs Organisation.

"Subcommittee" means the Customs Cooperation Sub-Committee established under Article 11 of this Annex;

"Temporary admission" means customs procedures under which certain goods (including means of transport) can be brought into a Customs territory conditionally relieved from payment of import duties and taxes and without application of import prohibitions or restrictions of economic character: such goods (including means of transport) must be imported for a specific purpose and must be intended for re-exportation within a specified period and without having undergone any change except normal depreciation due to the use made of them;

ARTICLE 2 : Objectives and Scope

1. The objective of this Annex is to simplify and harmonize customs laws and procedures by:
 - (a) providing for common measures with which Member States shall undertake to comply in the formulation of their customs laws and procedures;
 - (b) establishing appropriate institutional arrangements at regional and national levels.
 - (c) cooperating to prevent fraud and illicit trade.
2. The provisions of this Annex do not apply to areas of customs cooperation which are covered specifically by Annexes I and IV of this Protocol.
3. Cooperation in customs matters shall apply to any administrative authority of Member States which is competent for matters covered by customs legislation. This cooperation shall be channelled through the Customs Authorities of Member States.

**ARTICLE 3 : Harmonization of Customs Tariff
Nomenclatures And Statistical
Nomenclatures**

1. Subject to the exceptions enumerated in paragraph 4:
 - (a) Each Member State undertakes, except as provided in sub-paragraph (c) of this paragraph, to adopt customs tariff nomenclatures and statistical nomenclatures which are in conformity with the Harmonized System. It thus undertakes that in respect of its customs tariff and statistical nomenclatures:
 - i. it shall use all the headings and sub-headings of the Harmonized System without addition or modification, together with their related numerical codes;

- ii. it shall apply the general rule for the interpretation of the Harmonized System and all the section, chapter and sub-heading notes, and shall notify the scope of the sections, chapters, headings or sub-headings of the Harmonized Systems; and
 - iii. it shall follow the numerical sequence of the Harmonized System;
- (b) Each Member State shall also make publicity available its import and export trade statistics in conformity with the six-digit codes of the Harmonized system, or on the initiative of the Member State, beyond that level, to the extent that publication is not precluded for exceptional reasons such as commercial confidentiality or national security;
 - (c) Nothing in this Article shall require a Contracting Party to use the sub-headings of the Harmonized System in its Customs Tariff Nomenclature provided that it meets the obligations at (a) (i) - (iii) above in a combined tariff/statistical nomenclature.
2. In complying with the undertakings at paragraph 1 (a) of this Article, each Member State may make such textual adoptions as may be necessary to give effect to the Harmonized System in its domestic law.
 3. Nothing in this Article shall prevent a Contracting Party from establishing, in its customs tariff or statistical nomenclatures, sub-divisions classifying goods beyond the level of the Harmonized System, provided that any such sub-division as added and coded at a level beyond that of the six-digit numerical code is as set out in the Harmonized System.
 4. CMT may allow exceptions in the application of the provisions of this Article as would be allowed in the application of the provisions of the Harmonized System convention, provided that CMT is satisfied that they would not hinder the comparison of customs tariffs and trade statistics of Member States.

ARTICLE 4 : Harmonization of Valuation Laws and Practice

Member States undertaken to adopt a system of valuing goods for customs purposes based on principles of transparency, equity, uniformity and simplification of application in accordance with the WTO Valuation system.

ARTICLE 5 : Simplification And Harmonization of Customs Procedures

1. Member States, undertake to incorporate in their customs laws, provisions designed to simplify customs procedures in accordance with internationally accepted standards, recommendations and guidelines particularly those which are contained in the International Instruments of:
 - the World Customs Organisation (WCO);
 - the United Nations Economic Commission for Europe (UN-ECE);
 - the International Maritime Organisation (IMO);
 - the International Civil Aviation Association (ICAO);
 - the International Standards Organisation (ISO)
 - the International Chamber of Commerce (ICC); and
 - the International Air Transport Association (IATA).

2. Member States undertake to adopt in their customs laws common principles for the Customs procedures which, in the opinion of CMT, are particularly important in intra-Community trade including:
 - (a) customs formalities applicable to commercial means of transport;
 - (b) clearance for home use;
 - (c) outright exportation;
 - (d) customs transit;
 - (e) drawback;
 - (f) temporary admission, subject to re-export in the same Member State;
 - (g) temporary admission for inward processing;
 - (h) free zones;
 - (i) postal traffic

3. Member States undertake to develop a single customs document as support of all customs procedures, in intra-Community trade as well as in trade with third countries.

ARTICLE 6 : Computerization of Customs Operations

1. Member States shall encourage and facilitate the use of data processing techniques to support customs operations particularly in the following areas:
 - inventory control;
 - accounting for goods;
 - accounting for revenue;
 - goods declaration processing;
 - production of statistics;
 - enforcement.
2. Member States undertake to ensure that their laws cater for computerized customs procedures as well as manual procedures. In particular, the laws should provide for:
 - other information transmission methods as an alternative to paper based documentary requirements, e.g. magnetic media and tele-transmission;
 - other authentication methods as an alternative to hand-written and other paper-based signatures;
 - the definition of relevant terms using internationally accepted definitions which take account of data processing media.
3. The customs authorities of Member States should review and where appropriate modernize existing manual procedures, documentation and coding practices prior to introducing the use of data processing techniques.
4. Whenever practicable, computer applications implemented by customs authorities of Member States should use internationally accepted standards, especially those adopted by the World Customs Organisation, the United Nations Economic Commission for Africa and UNCTAD.
5. The customs authorities of Member States shall consider developing or adopting common customs application systems. They shall consult with other agencies, national and international, when considering the development or adoption of new systems or the enhancement of existing ones with a view to avoiding duplication of effort where possible.
6. In automating procedures, customs authorities of member States shall allow the possibility of interchanging data with trade users by direct link or on machine-readable media according to the technology available.

ARTICLE 7 : Preservation, Investigation and Suppression of Customs Offenses

1. Member States undertake to co-operate in the prevention, investigation and suppression of customs offences.
2. For the purposes of paragraph 1 of this Article, the Member States undertake to:

"Transit traffic" means the passage of goods including unaccompanied baggage, mail, persons and their means of transport through the territories of the Member States in accordance with the itineraries set out in paragraph 1 of Article 2 of this Annex;

"Transistor" means the legal entity responsible for the conveyance of goods through the customs operations;

"Vessel" means any mechanically propelled ship, boat or craft with inboard engine power or any other craft moving through water carrying passengers or cargo.

ARTICLE 2 : General Provisions

1. The Member State undertake to grant all transit traffic freedom to traverse their respective territories by any means of transport suitable for that purpose when coming from:

- (a) or bound for the Member States; or
 - (b) third countries and bound for other Member States;
or
 - (c) other Member States and bound for third countries; or
 - (d) third countries and bound for third countries.
2. Member States undertake not to levy any import or export duties on the transit traffic referred to in paragraph 1 of this Article. However, in accordance with paragraph 6 of Article 11 this Annex, a Member States may levy administrative or service charges.
3. For the purpose of this Annex, the Member States undertake to ensure that there shall be no discrimination in the treatment of persons, mail, merchandise and means of transport coming from or bound to Member States, and that rates and tariffs for the use of their facilities by other Member States shall not be less favourable than those accorded to their own traffic.
4. Notwithstanding the provisions of paragraph 1 of this Article, a Member State may, in conformity with Article 9 of the Trade Protocol, prohibit, restrict or otherwise control the entry of goods and services.

ARTICLE 3 : Scope of Application

1. The provisions of this Annex shall apply to any transitor, mail, means of transport or any shipment of bonded goods in transit between two points either in two different Member States or between a Member State and a third country.
2. The provisions of this Annex shall only apply to transit transport if it is:
- (a) operated by a carrier licensed under the provisions of Article 4 of this Annex;
 - (b) performed under the conditions set out in Article 5 of this Annex by means of transport approved by the customs office of commencement and issue with certificates which shall be in the form set up in Appendix III of this Annex;
 - (c) guaranteed by a surety in accordance with the provisions of Article 6 of this Annex; and
 - (d) undertake under cover of the SRCTD, or any other transit document approved by CMT.

3. The provisions of this Annex shall apply to transit goods being carried by whatever means of transport, except that in the case of air, water and rail transport, the aircraft, vessel or train in transit shall be exempted from the application of the provisions of this Annex. However, the aircraft, vessel or train will be subject to the national laws and regulations of the transit country.
4. The provisions of this Annex shall cease to apply to transit traffic referred to in Article 2 (1) (a) of this Annex when the import duties have been eliminated.

ARTICLE 4 : Licensing of Transistors and Carriers

1. Any person intending to be engaged in the operation of transit traffic under the provisions of this Annex shall be licensed for that purpose by the competent authorities of the Member State in whose territory he is normally resident or established, and the competent authority shall inform all the other Member States of all the persons so licensed.
2. The conditions for the issuance of the licences referred to in paragraph 1 of this Article to person resident or established in a Member State shall be that:
 - (a) the requirements of Article 5 of this Annex have been satisfied; and
 - (b) the applicant has not during the previous three years been convicted of a serious offence including accepting, receiving or offering bribes, smuggling, theft, destroying documents of evidence, and failing or refusing to give information relating to interstate transportation of goods.
3. The conditions for issuance of the licences referred to in paragraph 1 of this Article to applicants who are not resident or established in a Member State shall be determined by each Member State in consultation with other Member States provided that such conditions shall not be more favourable than conditions accorded to persons resident or established in that Member State.
4. Licensed carriers and transistors, who are convicted of customs offenses referred to in sub-paragraph (b) of paragraph 2 of this Article or who conceal their record of having been convicted of such offenses in order to obtain a licence or who commit such offenses after they have been licensed to operate transit traffic, shall have their licences suspended automatically or withdrawn by the issuing authorities who shall thereupon notify the customs authorities of the other Member States and the respective sureties of the action taken.

ARTICLE 5 : Approval of Means of Transport

1. The means of transport used in transit trade shall be licensed by the appropriate licensing authorities of the Member States in accordance with their national laws and regulations
2. For the purpose of sub-paragraph (b) of paragraph 2 of Article 3 of this Annex, means of transport, together with their cargo, shall be presented to the customs offices of commencement for examination to ensure that they comply with the technical conditions stipulated in Appendix II of this Annex before each transit traffic operation is undertaken.

ARTICLE 6 : Bonds and Sureties

All SADC transit traffic operations carried under the cover of the SRCTD or any other transit document approved by CMT shall be covered by customs bond and sureties arrangements.

ARTICLE 7 : SADC Transit Document

1. Subject to conditions and regulations as CMT may deem necessary, each Member State undertakes to authorize a transitor or his authorized agent, to prepare in respect of each consignment of transit goods SADC Transit Document in accordance with the rules laid down in Appendix of this Annex.
2. SADC Transit Documents shall conform to the standard form approved by the CMT. SADC Transit Documents shall be valid for only one transit operation and shall contain a sufficient number of copies for customs control and discharge required for the transport operation concerned.
3. All means of transport covered by the provisions of this Annex shall be accompanied by relevant SADC Transit Documents and such documents shall, on demand, be presented by the carriers, together with the respective means of transport and certificates to the customs offices en-route and the customs offices of destination for their appropriate actions.

ARTICLE 8 : Exemption From Customs Examinations and Charges

1. Provided the provisions of Article 4 and 5 of this Annex are satisfied, goods carried in approved sealed means of transport, sealed packages, or accepted by customs office of commencement as goods not susceptible to tampering substitution or manipulation, and permitted to be carried unsealed shall not:
 - (a) be subject to the payment of import or export duties at customs office en-route; and

- (b) as a general rule, be subject to customs examination at such offices.
2. However, in order to prevent abuse, the customs authorities may, where they suspect an irregularity, carry out at such offices a partial or full examination of the goods.

ARTICLE 9 : Transit Procedures

1. All transit goods and means of transport shall be presented to the customs office of commencement together with duly completed SADC Transit Documents supported by appropriate bonds as necessary for examination and affixing of customs seals. The office of commencement shall decide whether means of transport to be used provides enough safeguards to ensure customs security and whether the shipment may be made under cover of relevant SADC Transit Document.
2. Where it is not possible for goods to be transported in sealed means of transport compartments, the customs authorities at the customs office of commencement may authorize the transportation in such unsealed means of transport or compartments and under such conditions as they may deem necessary, and endorse the relevant SADC Transit Document accordingly.
3. A means of transport engaged in the transport of goods under the provisions of this Annex shall not at the same time be used to transport passengers unless such passengers and their personal effects are carried in a part of the means of transport which is adequately sealed off to the satisfaction of the customs authorities of commencement.
4. Nothing may be added or taken from or substituted for goods consigned under cover of a SADC Transit Document at times of off-loading, trans-shipment or collecting.
5. The means of transport, together with the respective SADC Transit Document, shall be presented to the customs authorities at customs offices en-route and at customs offices of destination for such administrative action as may be required under the provisions of this Annex.
6. Except where irregularities are suspected, the customs offices en-route within the Member States shall respect the seals affixed by the customs authorities of other Member States. Such customs authorities may, however, affix additional seals of their own.
7. In order to prevent abuse, the customs authorities may, if they deem it necessary:

- (a) require the means of transport to be escorted through the territory of their country, at the transitor's expense, when goods are transported in unsealed means of transport; or
 - (b) require that examination of the means of transport and their loads be carried out en-route in the territory of their country.
8. An unsealed shipment covered by an appropriate SADC Transit Document shall have only one customs office of destination.
 9. If the goods in a means of transport are examined at a customs office en-route or anywhere in the course of transportation, the customs authorities concerned shall affix new seals and make a certified declaration of the particulars of irregularities, if any, and of the new seals affixed by them.
 10. In the event of an accident or imminent danger necessitating the immediate unloading in whole or part of a means of transport, the carrier may on his own initiative take such steps as may be necessary to ensure the safety of the goods being transported or the means of transport in which they are being transported. The carrier should, however as soon as possible thereafter, inform the customs office of commencement. The carrier shall arrange where appropriate for the goods to be transferred to other means of transport in the presence of customs authorities concerned or any other accredited authority shall endorse the SADC Transit document with the particulars of the goods transferred to the other means of transport and where possible apply the customs seal.
 11. On arrival at the customs office of destination, the SADC Transit Document shall be discharged without delay. If, however, the goods cannot be immediately entered under another customs regime, the customs authorities may reserve the right to discharge the document conditionally upon a new liability being substituted for that of the surety guaranteeing the said document.
 12. If seal affixed by customs authorities are broken en-route otherwise than in the circumstance set out in paragraph 10 of this Article, or if goods are destroyed or damaged without breaking such seals, the procedure laid down in paragraph 11 of this Article shall, without prejudice to the application of the provisions of national laws, be followed and a certified report drawn up in the form set out in Appendix IV of this Annex.
 13. When the customs authorities are satisfied that the goods covered by a SADC Transit Document have been destroyed by force majeure an exemption from payment of the duties shall be granted.

ARTICLE 10 : Obligation of Member States and Sureties

Subject to the provisions of Article 6 of this Annex, the obligations of Member States and sureties are as follows:

- (a) Each Member State undertakes to facilitate the transfer to the other Member States of the funds necessary for payment of premiums or other charges claimed from sureties under the provisions of this Annex, or for payments of any penalties which the transitor may incur in the event of an offence being committed in the course of transit transport operations.
- (b) The Member States agree to ensure that the liabilities undertaken by sureties cover import or export duties due, any interest thereon, and other charges and financial penalties incurred by the holder of a SADC Transit Document and other persons involved in the transit transport operation under the customs laws and regulations of the Member State in which an offence has been committed. The surety and the persons charged with the offence shall be jointly and severally liable for payment of such sums. The fact that customs authorities might have authorised the examination of goods elsewhere than at a place where the business of the customs office of commencement or destination is usually conducted shall not affect the liability of the surety.
- (c) For the purpose of determining the duties referred to in paragraph (b) of this Article, the particulars of the goods as entered in the SADC Transit Document shall, unless the contrary is proved, be regarded as correct.
- (d) The liability of the surety to the authorities of any Member State shall commence from the time when the SADC Transit Documents is accepted by the customs authorities of that Member State, and shall cover only the goods enumerated in the document.
- (e) When the customs authorities of a Member State have unconditionally discharged a SADC Transit Document, they may not subsequently claim from the surety payment in respect of the duties referred to in paragraph (b) of this Article unless the certificate of discharge was issued erroneously or fraudulently.
- (f) The transitor and surety shall be released from their undertaking to the customs authorities of each Member State entered when goods carried have been duly exported or have otherwise been accounted for satisfactorily to the customs authorities of the Member State concerned.
- (g) Where a SADC Transit Document has not been discharged or has been discharged conditionally, the competent authority of a Member State shall not claim from the surety the payment referred to in Paragraph (b) of this

Article unless such authority has, within a period of one year from the date on which the SADC Transit Document was taken on charge, notified the surety of the non-discharge or conditional discharge of the document:

Provided that where the certificate of discharge was obtained erroneously or fraudulently, this paragraph shall not prevent the authorities of a Member State from taking the necessary action against the person or persons concerned at any time thereafter in accordance with their national laws.

- (h) The claim for payment referred to in paragraph (b) of this Article shall be made within three years from the date when the surety was notified that the relevant SADC Transit Document had not been discharged or had been discharged conditionally, or that the certificate of discharge had been obtained erroneously or fraudulently. However, the period of three years referred to in this Article includes a period of legal proceedings any claim for payment under the provisions of this Article shall be made within one year from the date when the decision of the court becomes enforceable.
- (i) The Member States shall, where feasible, use the services available in other Member States in all transit traffic operations provided such services are competitive and noteless efficient than those offered by other parties.

ARTICLE 11 : Other Provisions

1. The Member States undertake to establish or facilitate the establishment of bonded, transit or customs areas or bonded warehouses for the temporary storage of transit goods where the direct trans-shipment of goods from one means of transport to another is not possible. The management and operation of such bonded, transit or customs areas and such bonded warehouses shall be in accordance with the customs rules and regulations of the Member States concerned.
2. The Member States undertake to permit and facilitate the establishment of cargo, clearing and forwarding offices in their territories by persons, organisations or associations of other Member States or their authorised agents, for the purpose of facilitating transit traffic in accordance with their national laws and regulations.
3. Each means of transport engaged in international transit traffic operations under cover of an SRCTD or any other transit document approved by CMT shall have affixed to its front and rear, a plate bearing the letters "SADC - TRANSIT", the specifications of which are laid down in Appendix V of this Annex. These plates shall be so placed as to be clearly visible, removable and capable of being sealed. The seals to such plates shall be affixed

by the customs offices of commencement and shall be removed by the authorities of the offices of destination.

4. The Member States shall communicate to each other through the Sector Coordinating Unit the seals, stamps and date stamps they use.
5. Each Member State shall send to the other Member States through the Sector Coordinating Unit, a list of its customs offices and stations, including transit routes approved by it for SADC Transit Document covered traffic and normal working hours of such offices. Contiguous Member States shall consult each other in determining the frontier customs offices to be included in such lists and where possible such office shall be juxtaposed.
6. In all customs operations referred to in this Annex, no charges shall be levied for customs attendance, save where it is provided on days or at times or places other than those appointed for such operations. Whenever possible, customs frontier offices shall remain open for business for twenty-four hours a day or shall allow execution of customs formalities relating to the transportation of goods under the provisions of this Annex outside the normal working hours.
7. Any breach of the provisions of this Annex shall render a carrier liable in the Member States where the offence is committed to the penalties prescribed by law in that Member States.
8. Nothing contained in this Annex shall prevent the Member States from enacting special legislation in respect of transport operations commencing or terminating in or passing through their territories provided that the provisions of such legislation shall not conflict with the provisions of this Annex, are extended to other Member States or do not confer benefits on third countries that are more favourable than those enjoyed by the Member States.
9. All SADC Transit Documents may have a note explaining how that particular document should be used.

ARTICLE 12 : Regulations

CMT shall adopt regulations to facilitate the implementation of this Annex.

APPENDIX I

NOTES FOR THE USE OF THE SADC TRANSIT DOCUMENT

1. The SADC Transit Document herein after referred to as "Document" shall be prepared in the country of commencement where the goods are first declared to be in transit.
2. The document shall be printed in the English, and Portuguese language, but completed in the language of the country of commencement. The customs authorities of the other countries traversed reserve the right to require their translation into their own language. In order to avoid unnecessary delays which might arise from this requirement, carriers are advised to supply the operator of the means of transport with the requisite translations.
3. A document remains valid until completion of the transit operation at a customs office of destination provided that it has been taken under customs control at the custom office of commencement within the time limit given by issuing authorities.
4. (a) The document must be typed or multigraphed or printed legibly.

(b) When there is not enough space on the manifest separate sheets to enter all the goods carried, separate sheets to the same model as the manifest may be attached to the latter but all copies of the manifests must contain the following particulars:
 - i) a reference to the sheets: and
 - ii) the number and type of packages and goods in bulk enumerated on the separate sheets;
 - iii) the total value and the total gross weight of the goods appearing on the said sheets;
5. Weights, volume and other measurements shall be expressed units of the metric system, and values in the currency of the country of commencement or in the currency determined by CMT.
6. No erasures or over-writing shall be allowed on the document. Any correction shall be made by deleting the incorrect particulars and adding, if necessary, the required particulars. Any correction, addition or other amendment shall be acknowledged by the person making it and countersigned by the customs authorities.

7. When the document covers coupled means of transport or several containers, the contents of each means of transport shall be indicated separately on the manifest. This information shall be preceded by the registration of identification number of the means of transport or container.
8. If there is more than one customs office of destination, the entries concerning the goods taken under customs control at, or intended for, each office shall be clearly separated from each other on the manifest.
9. In the event of customs seals being broken or goods being destroyed or damaged accidentally en-route, the operator of the means of transport shall ensure that a certified report is drawn up as quickly as possible by the authorities of the country in which the vehicle is located. The operator shall approach the customs authorities, if there are any near at hand, or, if not, any other competent authorities. Operators shall accordingly provide themselves with copies of the certified report form laid down in Appendix V of this Annex on Transit Facilities within the Community.
10. In the event of accident involving immediate unloading of the whole or part of the load en-route the operator may take action on his own initiative without requesting awaiting intervention by the authorities mentioned in paragraph 9 of these notes.

He must then furnish adequate proof that he was compelled to take action in the interest of the means of transport or of the load. Having taken such preventive measures as the emergency may necessitate, he shall at the first opportunity notify the authorities mentioned in paragraph 9 of these notes in order that the facts may be verified, the load checked, the means of transport sealed and report drawn up.

APPENDIX II

REGULATIONS RELATING TO TECHNICAL CONDITIONS APPLICABLE TO MEANS OF TRANSPORT OTHER THAN PORTERS AND PACK ANIMALS WHICH MAY BE ACCEPTED FOR TRANSPORT OF GOODS WITHIN THE COMMUNITY UNDER CUSTOMS SEAL
