Dear Stakeholder,

The current Strategic Plan (2016 – 2020) of the African Court on Human and Peoples' Rights (African Court) will come to an end in December 2020, and the Court is in the process of developing its new Strategic Plan to cover the next five (5) years, that is, 2021-2025.

As a valued partner of the African Court, you are invited to complete this short survey to facilitate the Court's development of its next Strategic Plan.

The survey takes into account the Court's visibility and collaboration with stakeholders, challenges experienced, areas of focus and prioritization as well as opportunities presented to effectively discharge its mandate.

As an important stakeholder working to protect and promote human rights in Africa, we greatly value your participation to enable the Court further realise its vision of protecting human rights on the continent.

The responses will be kept confidential unless authorized otherwise by the stakeholder. We hope to receive your responses by **27 May 2020**. The survey form can be found at <https://survey.african-court.org> in the four (4) working languages of the African Union.

I thank you in advance for your time and observations.

Please accept the assurances of my highest consideration.
